

## **PRESS RELEASE**

AsiaTradeHub.com announce another feature of Search Engine for listed Company and Products Online now. The B2B Portal open for registration of companies from Asia and other Part of World to match the requirements. The feature will make the search for specific Product or Company from Asia more assessable & Buyers can get multiple option in one go. This will increase the volume of Business at AsiaTradeHub.com

Secondly, AsiaTradeHub.com added feature of displaying the Trade Events details of Asia to explore the live Exhibition and Trade Communication. The AsiaTradeHub.com Trade Team support Buyers to fix meetings with potential Suppliers from these Events.

Keshav Gandhi , CEO of AsiaTradeHub.com along with Development Team adding more features to make site more interactive and supportive for both Buyers and Sellers to achieve business on fastest mode.
